

# CAMRA's advice for getting back to the pub (England version)

As pubs reopen, we're all looking forward to getting back to our locals, having a pint and enjoying the social aspects of pub going.

Things are going to look and feel a little different. That's why we've put together our advice on what to expect, and how you can get back to the pub responsibly and safely.

## Who you can go to the pub with:

- If you are sitting inside, members of your household and one other household (or support bubble)
- If you are sitting outside, members of your household and one other household (or support bubble), or you and up to five other people from different households

## What you should expect:

- In most circumstances, order and be served at your table
- To see signs telling you where to go and how to use the pub safely
- To give some details like your name and a phone number to help with contact tracing
- For the moment, no live entertainment or loud music.
- If the weather takes a turn for the worse, you might not be allowed to shelter inside.

## You can help by:

- Listening to the staff and following instructions on signs
- Waiting patiently in queues
- Washing your hands or using hand sanitising stations - especially when you arrive and leave, or use the toilets
- Ordering remotely where you can – whether through an app or website
- Staying in your allocated seating area as much as possible
- Using contactless payments where possible

## A few do's and don'ts

- Do go back to the pub where you can – pubs need our custom to help them through this difficult time
- Do plan ahead and book in advance where possible
- Don't take your empties back to the bar – for the moment, this isn't helpful for staff
- Don't come to the pub if you, or someone in your household or support bubble has symptoms of COVID-19 – stay at home and follow NHS advice
